Relay

Directions: Starting on the X on the floor, each student will weave in and out of the cones to the last cone, turn around and weave back until you reach the 2ND cone where there is another X on the floor. Once you reach the X, take a shot on goal until you make it. The timer will start the stopwatch as soon as the student moves and will stop as soon as the puck is in the net. Please record the scores in the chart below.
