Trick Shot

Directions: Start at the blue taped line on the floor. Skate and dribble your puck until you reach the X on the floor. Once at the X you are able to make up a trick shot and shoot on goal. The group will then vote on a scale of 1-5 for creativity. (5 = outstanding, 4 = great trick shot, 3 = solid shot, 2 = good shot, 1 = more creativity needed) Recorder, please record the players name, team name, and what the team votes on in the chart below.
